Songs *(May Subd Geog)*
Here are entered works for solo voice with secular texts. Works with sacred texts are entered under the heading Sacred songs. For works consisting of art songs, this heading is qualified as appropriate by voice range and specification of accompaniment, e.g. Songs (High voice) with piano; Songs with orchestra; Songs, Unaccompanied. For works consisting of songs of ethnic or national character this heading is qualified by the name of the language or language group and subdivided by place, e.g. Songs, French; Songs, English—United States; Songs, Slavic.
For works consisting of songs of an individual ethnic group, additional subject entries are made under the headings [ethnic group]—[place]—Music and Music—[place]. For works consisting of songs of a national group, additional subject entry is made under the heading Music—[place].

Strikes and lockouts *(May Subd Geog)*
[HD5306-HD5450.7]
Here are entered works on strikes and lockouts in general. Works on strikes in a particular industry are entered under the heading Strikes and lockouts subdivided by the industry or occupation and further subdivided by place if local, e.g. Strikes and lockouts—Police; Strikes and lockouts—Railroads—France. Works on individual strikes are entered under the heading for the name of the strike, e.g. Coal Miners' Strike, U.S., 1949-1950.
